ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

OLD HICKORY MOUNTAIN STABLES SWEEP RIBBONS

At the first annual meet of the Cincinnati Horse Show held Nov. 23-24-25, the Old Hickory Mountain Stables captured first honors with 2 cups, 6 blue ribbons, 2 second, 3 third and a fourth place.

The horses shown by the Minton's were Fendist, Sara Kathleen, Milady Minton, and Flashing Glory. Besides these the riding school had two hundred head, there were about one hundred from out of town, including four stables from Madison Square Garden, N. Y.

Mrs. Nola Minton Viall made something of a sensation in her costume which was the latest thing in New York City's riding togs, and also by the grace of her saddle work it should be remembered that Mrs. Viall is fully capable of holding her own in the ring with men and, judging by the results, she makes them look to their laurels.

A number of Newport and Covington people came to see the Old Hickory horses on account of the good work of Hon. Sawyer A. Smith and the boys of the National Guard who helped to clean up the trouble in that section during the strike.

We congratulate the Mintons for the fine showing made which is a big advertisement for the city.

The cups and ribbons may be seen at the Herndon Drug Store.

HORN

The death of Mrs. Susan Horn, wife of Mr. A. Horn, of Baughman, occurred Friday morning at 1:15, following a paralytic stroke. The funeral was held at the home Saturday, Rev. A. A. Ford, of the Christiana church officiating.

By a singular circumstance, Mrs. Horn was sixty-three years old the day of her death.

Besides her husband two daughters, Miss Arah Horn, and Mrs. A. L. Parker, survive.

NEW YORK STORE SALE CARRIES OVER NEXT WEEK

The New York Store is delighted at the result of its first week's sale. The rush of customers was so great that many could not be served. As a consequence new bargains have been hurried forward so that none may be disappointed.

Speaking of the sale, Mr. Sam Cawn says that it is one of the most satisfactory the New York Store has held for some time. There is a decided growing confidence in the future which is most encouraging.

The big stock of goods featured in this sale is only partly described in the page circular on the back page of the Advocate. There are hundreds of other big bargains which are being snapped up. The touch of really cold weather has ushered in the winter buying season and articles such as woolen socks and stockings, sweaters, gloves, warmer union suits, coats and heavier suits, and good shoes for women, men and children are showing a heavy sale.

Mr. Cawn suggests to his friends that now is the time to supply the needs of the whole family while the prices are low. It is impossible to continue to sell at such low prices and live, but the big stock has to be moved to make place for holiday and spring goods. As he says, "necessity knows no law."

Study the prices and then come in and look around for what you need.

You will find courteous, prompt service and a desire to help you to be satisfied.

CIVIC LEAGUE MEETING

The Civic League met at the home of Mrs. G. L. Dickinson Nov. 16, 1922. Roll call was answered by the various achievements of women. Mrs. L. P. Brown, as chairman of the Philanthropic Committee reported visits to the jail and the poor farm. The inmates of the latter are to be remembered at Christmas time thru arrangements made by this committee.

The next meeting will be held at the home of Mrs. W. S. Hudson on December 7th. Rev. J. O. Gross will address the League on the subject of Community problems.

RECITAL BY THE LITTLE FOLKS

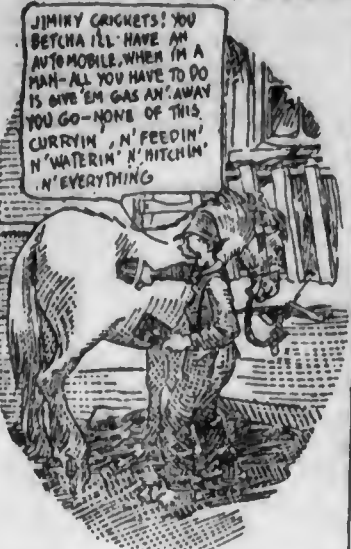

A more pleasing program could scarcely be imagined than the one presented on Tuesday evening by Mrs. Geo. Tinsley's Saturday morning class of little folks under her able direction. The stage was wonderfully arranged with little folk's furnishings and the children appeared in their own nice clothes or in "dress up" things. The Mother Goose play at the end of the program was splendidly done and showed faithful work.

The audience was composed mostly of the "sisters, the cousins and the aunts" etc. and everyone enjoyed to the full the efforts of the little ones to entertain.

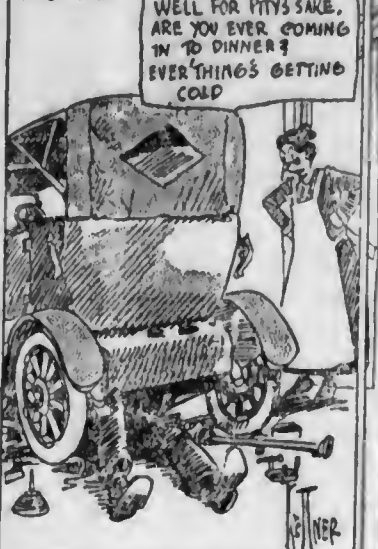

Don't snare rabbits at any time.

BIG DRIVE AT MOON-SHINE ON STINKING CREEK

Following complaints of intensive moonshining and hootlegging on Middle Fork of Stinking Creek, Judge J. T. Stamper, assisted by Commonwealth Attorney J. C. Bird, County Attorney Phil Senters, W. H. Green, prohibition enforcement officer and other members of the official Knox County Court held an enquiry as to conditions in that section Wednesday morning. The following witnesses were summoned: D. Walker, John Bingham, Mrs. J. Bingham, Bob Bingham, Mrs. Bob Bingham, Jno Henry Mills, Mrs. J. H. Mills, Mrs. Mayo, Gale Bingham, Mrs. Gale Bingham, Frank Messer, Mrs. F. Messer, Riley Burnett, Mrs. Riley Burnett, Mrs. Dewey Brown, Clark Brown, Bige Burnett, Mrs. Bige Burnett, McKinley Burnett, Mrs. McKinley Burnett, Mrs. Bert Gray, Ed Gray, Mrs. Ed Gray, Sam Gray, Andrew Taylor, Mrs. Andrew Taylor, Jim Gray, Mrs. Jim Gray, Estill Gray, Elbert Bingham, Lucy Bingham, Lyman Bingham, Mrs. Jess Baker, George Brown Jr., Will Bingham, Mrs. Will Bingham, Mrs. Silas Gambrell, Daw Brown, Henry Brown, Mary Brown and Bill Hubbard.

Judge Stamper opened court by saying, "I was elected county judge last November and I made no bones or reservations as to my intentions to enforce the law. Some of you who helped elect me, doubtless now regret it and you may regret it more yet. I am not a candidate for any office and don't expect to be and I am going to carry out the law."

The people engaged in moonshining and bootlegging are striking at the foundation pillars of our government and the Constitution, through the 18th Amendment which was provided for the destruction of the liquor traffic. When men do this they violate the law of God and man since the Constitution is second only in inspiration to the Bible. It also means that a condition exists in your neighborhood where men may not worship God publicly or hold Sunday School.

I love my country, but it has enemies at home and abroad. Those at home are so ignorant or so mean that they do not want good government. The man who violates the Constitution is a traitor to his government. Every moonshiner is a traitor who should be in the penitentiary or banished to the interior of China or the jungles of Africa.

I see among you some people whom I have seen in church houses, but who have drifted away and have so acted that preachers and officers are afraid to go into your community."

Judge Stamper then asked those who cared to confess his share of crime and promised that the sentence should be cut in half also stating, that a peace bond would be required.

Judge Stamper said he did not know how much Christian people and the churches are to blame because they have fallen down and we do not have the standard of Christianity we ought to have. While there is one man in the church who will cheat lie or defraud his brother he is a traitor or he who will slip behind the door and drink liquor is a traitor.

Judge Stamper appealed to the fathers and mothers present to fight the evil which is debauching their children.

"The Middle Fork of Stinking Creek has the reputation of having more moonshining and hootlegging than any other section of the county, and according to the map I hold in my hand there have been more stills found, packed off and hid than any other part of the county."

If it were not for the swearing and perjury, we could soon put every hootlegger and moonshiner out of Knox County in short order.

It is said that a man in your country can be indicted, but his friends will come and swear him out and then turn round and try to indict the man on whose evidence the first indictment was made, by false swearing.

Then they say there is a 'Black-Ring' in this county, which will moonshine, hootleg, murder, or swear each other out when indicted. I am going to smash this 'Black-Ring' to pieces. I have been lied on cursed and threats have been made to blow up my house. Let them blow it up, be damned and go to torment.

Men and women are afraid to tell the truth, but they will do so or I will make them remember it. But I promise that when they do tell the truth and say they are afraid, I will put a peace bond on the man of whom you are afraid and keep it there as long as you are afraid. Law and order shall prevail or I'll be put out of office or killed.

This court, sheriff and officers are going to clean up this county.

Those I feel are telling a lie will get six hours in jail, repeated when necessary with a \$3.00 fine added.

You are here for this reason. Every man and woman here knows where moonshine is or has been and we expect you to tell it. You know who has been selling the same and who has been shootlag into churches and houses. We expect you to tell it. Even tho it be what some call a Holy Roller meeting, I don't care since the Constitution guarantees absolute freedom of conscience to worship as we chose.

There are ten to fifteen stills to the mile in your neighborhood and such a condition cannot exist without some of you being in the business. The cattle of one man in the court room were killed by moonshiners and he was afraid to come down and breathe it."

Judge Stamper said the bar of Knox County averages up well with the bars of other sections but the practice has been, not to bring out the facts, but to conceal and cover up every fact. They go to the corner of the fence and get a prize, then to the other corner until the fence of justice gets rickety and falls down. While the client has a right to justice, he has no right to technicalities, tricks, etc., and if a lawyer feels his client is lie swearing, he is not doing his duty if he does not stand for justice and is himself guilty with his client.

"If we do not stop it, there will not only be moonshine but murder in your section. Conditions are such that men have been shot around, their cattle killed and brothers have fought. Then widows and orphans will have to suffer in this cold hearted world."

"Don't make any mistake, Some of you are going under a peace bond and some to jail, but I am going to have the truth, I have a lie on

what you know, so you may as well come clear."

Rev. John Owen Gross, of the M. E. Church, then offered a fervent prayer for repentance and better lives. There were other ministers present to lend strength to the proceedings.

CLEAR TONE GETS WONDERFUL PIANO

The Clear Tone is getting in a wonderful reproducing electric piano by which ten pieces of music may be put on and the piano left to itself, the instrument going ahead with its work until the ten pieces are played, when it rewinds and begins over again. This instrument is one of the finest of its kind in the world and has drawn the attention of the musical world as no other piano has done. It may be played by hand, foot power or as an electric reproducer.

SECOND LYCEUM NUMBER

The second lyceum number was presented on Monday evening by the Lillian Johnston Company, consisting of two very talented young ladies. Their clear soprano and rich contralto voices harmonized perfectly in the wonderfully well selected program. The novelty pieces were greatly enjoyed as well as the more classic selections.

The Lyceum is running on a high standard this year.

E. K. S. N. S. DEFEATS UNION

Altho defeat was again dished out to Union College football team on Thanksgiving Day the home team demonstrated that, tho lacking in experience, it has lots of grit and the making of a winning team. End plays, sheer weight and the fact that the needed tackle was always on the job, contributed largely to the victory for the visitors. The score was Normals 40, U. C. 7.

NOVELTY RECITAL

Thanksgiving always brings a welcome break in the grind of college life. At Union the feeling of relaxation was evidenced in the attractive Novelty Program put on by students of the Expression Department under the able direction of Miss Mildred Murphy. All of the selections were humorous and some were done in appropriate costume. The entire program was greatly enjoyed.

REPRODUCING PIANO DRAW- ING INTERESTED ATENTION

The Clear Tone Music Company has on display a wonderful Schultz Reproducing Piano that not only is guaranteed to reproduce the music as the artist played it, but which when the piece is played thru will start it all over again without attention, or it can be cut off as desired. This piano may be used as a hand piano. Drop in and see it as very few people have seen this type of instrument.

MENTAL HYGIENE SURVEY BEGINS HERE DECEMBER 4TH

Representative John M. Tinsley, who is chairman of the State Mental Hygiene Survey, is in receipt of a letter from Dr. A. T. McCormick, secretary of the State Board of Public Health, that Miss Allen, representing the National Committee, will be here December 4th to begin her work in Knox County. Miss Allen will visit the various schools in the county and make a mental hygiene survey among the children.

The county is indebted to Representative Tinsley for this work due to his splendid efforts to enlist the co-operation of the National Committee.

We hope to report further on the work.

ELY-TROWBRIDGE

A wedding of interest to Knox Countians was consummated at Amarillo, Texas, at 2 o'clock on Sunday, November 19th, the contracting parties being Mr. Joseph Orville Trowbridge and Mrs. Cleadie Bailey Ely. The ceremony took place at the residence of the pastor of the First Christian Church of Amarillo and was attended by near friends.

The bride looked charming in a dress of navy blue canton crepe, blue shirred beaver hat and a coat of dark navy blue with fur collar.

Mrs. Trowbridge was formerly Miss Cleadie Bailey, of Bailey Switch Knox County, and has many friends who will wish her every happiness in her married life.

The groom is a department store owner in Amarillo and elsewhere and is looked upon as one of that city's best citizens.

Mr. and Mrs. Trowbridge will make their home at 1407 Buchanan St., Amarillo, Texas.

The announcement of the wedding was received by Mrs. Oscar Mealer to whom we are indebted for particulars.

U. C. ORCHESTRA RECITAL

The Union College Auditorium
was filled almost to capacity limit
on Thursday evening when the or-
chestra presented a recital under
the direction of Prof. F. A. Nunvar.
The people of Barbourville are very
glad to have the orchestra again a
living factor in their midst. Prof.
Nunvar is an experienced director
and is able to bring out the very
best that is in the young people in
his charge as was evidenced by the
excellent showing they made and
the enthusiasm with which they en-
tered into their work.

Miss Mildred Flemming is an able
accompanist and also played her
audience with a solo which revealed
that she is quite a master of the
piano.

Miss Dorothy Nunvar gave a vio-
lin solo and it is evident that she
and her instrument are great friends.
Her playing is of a high order.

The perfect, clear tones of Prof.
A. T. Simms' trombone called for an
encore which was given to the de-
light of the audience.

It was with great pleasure that
the audience listened again to a
reading by Miss Maud Detherage
after an absence of some time. Her
work is always well done.

Miss Love Morris is a favorite
and well deserving of praise. She
has a pleasing soprano voice and
added to an enthusiastic encore.
The whole program was well re-
spected and made a satisfactory fin-
ish to a very happy day.

THANKSGIVING SERVICE

This year the Thanksgiving ser-
vice was held in the Methodist
church and was largely attended.
Rev. D. Edgar Allen preached an
able sermon which received close
attention. The music was under
the direction of Mrs. F. A. Nunvar
being both appropriate and well
rendered.

ALL WORN OUT

Does morning find you with a
lame, stiff and aching back? Are
you tired all the time—find work a
burden? Have you suspected your
kidneys? Barbourville people en-
dorse Doan's Kidney Pills. You can
rely on their statements.

Mrs. Martha Dozier, Allison Ave.,
says: "I take Doan's Kidney Pills
whenever I get attacks of backache
or kidney complaint. I have a nag-
ging pain in the small of my back
and my kidneys act irregularly.
The aches and pains all thru me
worry me so I don't get any rest.
Mornings I feel tired and languid.
I have nervous spells and dizziness
when everything turns black before
my eyes. Sometimes I am so lame
I can't straighten up after stooping.
Doan's Kidney Pills from the Her-
ndon Drug Store never fail to regu-
late my kidneys and make me feel
better in every way."
